

## 1. BAR CHART

**Goal:** Show totals (like sales or quantity) per category.

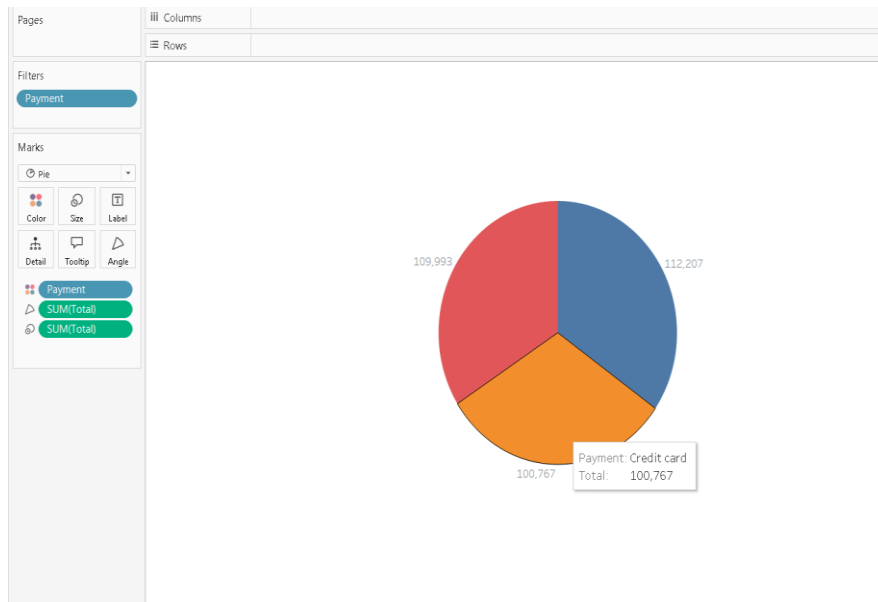

**Example:** *Total Sales per Product Line*

## 2. PIE CHART

**Goal:** Show distribution of a category.

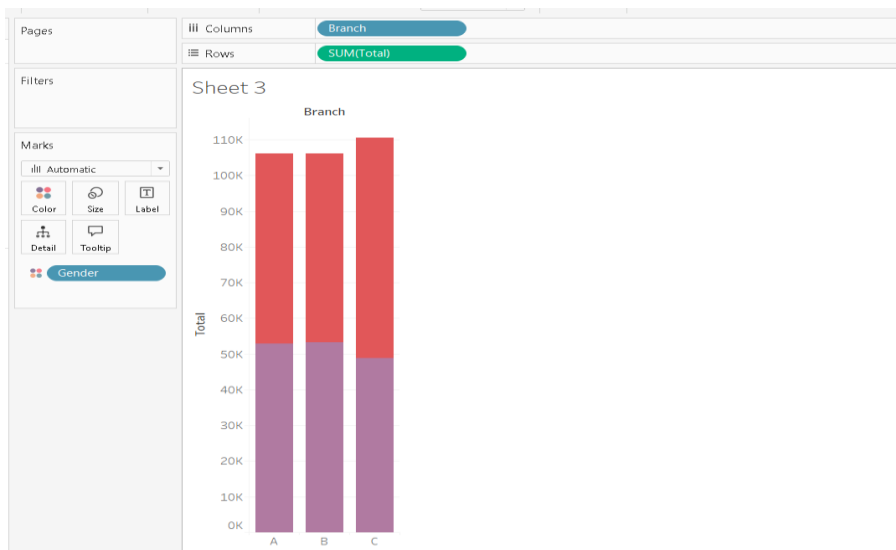

**Example:** *Payment Method Distribution*

### 3. STACKED BAR CHART

**Goal:** Show breakdowns within bars.

**Example:** *Sales by Gender for Each Branch*

### 4. LINE CHART

**Goal:** Show trends over time.

### Example: Total Sales over Dates

## 5. BUBBLE CHART

**Goal:** Show magnitude using size.

**Example:** Gross Income vs Rating by Branch
